

ANDAMIRO 2019 PRODUCTS

PUMP IT UP LX

55" cabinet with 20th Anniversary software

Pump It Up, a pop-culture icon for two decades, celebrates its 20th anniversary in 2019 with new software, songs and characters.

Since 1999, Andamiro has published and manufactured the world-famous Pump It Up rhythm, music and dance videogames. The international dance game is presented in Andamiro's contemporary 55" cabinet; the dance stage is divided into 2 sides.
